Dedication

We the seniors of 1978 dedicate our yearbook to a very special person, someone who has filled our high school years with fun and laughter. This year's Crescent goes to Mr. Scott Bailey. He has helped us understand life to a higher degree and made us realize that each person should be proud of himself and do the best they can with what they have. We are very grateful to him for all he has done for us throughout our years at Crestview High.

- Kim Glenn

LIFE AT CRESTY

SENIORS

SEMIONS

The time has come for us to leave our high school years behind us, and set out on our own. We had a lot of good times at Crestview. Times like our first day in high school, our first homecoming dance, our first prom at which we worked our hardest, to our biggest

day, graduation. We leave behind our friends and teachers who helped us through all the bad times. They also helped make the good times even better by just being around. We hope we have left a sense of pride and spirit for our school behind and we hope that the seniors of the future will continue to keep that pride and spirit going for as long as Crestview is still around.

Mrs. Turley Mrs. Wagner The 1977-78 Student Council had its ups and downs. They started out with a successful Homecoming Dance. The Council sponsored a variety of entertainment throughout the year. They had the Sound Image Edition Band from Campus Life in the beginning of the year, and the Life Band at the end We had a new experience with Ed Buffalo Bill, a bullwhip specialist. We even had a hat day, giving the students a change from the everyday curriculum. Toward the end of the year they formed a committee to meet and discuss difficulties facing students and teachers alike here at Crestview High.

Yearbook Staff

The 1978 Yearbook Staff proved that they could overcome all obstacles and do a job well done. They were working with a new publisher and advisor. There were camera difficulties and scheduling conflicts. Despite all these problems, they put in long after-school hours and spent their weekends making this yearbook something special for you.

The 1977-78 Drama Club presented a 3-Act Comedy on March 17 and 18, entitled. Curtain Going Up. The play, written by Gregory Johnston, involves the production of a high school play and the myriad comic obstacles that beset it. The mysterious disappearance of the play books, love triangles, and jealousy jeopardize the poor Miss Burgess's first play production, but all is happily resolved in the end. The cast consisting of 17 characters, was played by these Drama Club members

Coach of Year

The Varsity Basketball Team had a very successful season. Their record of 11 wins and 8 losses was the first winning season since 1966-67 for a Crestview squad. The cougars were 10-1 against CLASS "A" opponents, and showed much improvement throughout the season. Confidence, Pride and Desire by the players were the key ingredients in having a winning season. With six members of the Varsity returning, and some promising sophomores and the future for Crestview basketball looks exciting.

The 1977-78 J.V team won 5 and lost 13. It was an exciting season, full of close scoring games, having lost 5 games by a total of 9 points. They played very competitive games throughout the season.

The team was made up of unselfish individuals and can truly be proud of the season despite having a losing record. This group of kids really fit the old saying "it's not whether you win or lose, its how you play the game."

Sophomore, Rick Rader, averaged 10.2 pts per game to lead the team in scoring, and Dan Chronister led the team in rebounds.

The 1977-78 freshman basketball team finished the season with a record of 6 wins and 8 losses. Although the ecord does not indicate an excellent season, this team possessed "potential" for successful play in the future. The overall team had good size and strength and possessed reasonably good shooting ability. As quickness, competitiveness, and court sense develop with maturity, this group of players can develop into a very good team. Our strength this year was rebounding, while evident weaknesses were ball-handling skills and shooting under pressure. A lot of individual work and summer scrimmaging will help several or these players become future C restview stars.

Hard work, dedication, and success usually go together, and this track team had all three. The dual meets were six wins and two losses. They were champions at the Mapleton Relays, Crestview Indoor invitational. Ashland-Hillsdale, Fredericktown Invitational, Mt. Gilead Invitational, and they were both Sectional and District champions. The track team was eleventh in the State Meet and broke eight school records. Coach Daup, Coach Jennings and myself thoroughly enjoyed this season

Rita Wegelius

Rita, a foreign exchange student from Hamenelinna, Finland, has stayed with Mr. and Mrs. Robert Smith during her visit to America. She lives about 70 miles north of Helsinki, the capital of Finland

While staying in America she has found many new friends and discovered many new foods. Rita's favorite American food is lasagne. She likes to ski in the Alpines of Finland, and says her favorite color is blue

Rita was born on November 3, 1960. Her favorite singer is John Denver. The thing she finds she likes best about America is that the people are so nice and there is much more freedom here. She also likes the great extent to which we enjoy music.

Mauricio Florza

Mauricio Elorza was the foreign exchange student from Ovalle. Chile, a town north of Chile's captial. Mauricio quickly adapted to American ways while here at Crestview. He tried our foods and decided that he likes pancakes best. In music he really likes Kiss. His favorite sport is still soccer: no American sport compares! Mauricio likes the American people, especially those at Crestview.

We will all miss Mauricio and we wish him continued success in the future.

This year the class of 1980 has been working very hard.

We put on a very good Variety Show at the elementary schools and had a good turnout.

The sophomores ordered their class rings from Jostens. We are now looking forward to next year when we will present the junior senior prom.

All in all this has been a good year and we will always remember it.

The school office is the hub of many activities. Mr. Midlam and Mr. Porter make all of the administrative decisions, while Mrs. Kemp and Mrs. Fulk make sure all things run smoothly. Mrs Oswalt manages the funds and tries to keep the books in the black.

Another office that is a beehive of activity is the guidance office. Here Mr. Burns counsels, tests, schedules, and gives career advice to all students

This entire group helps make CHS an efficient, well-run school
